

# TRAVEL CHECKLIST

## MANDATORY FOR ALL ARRIVALS

Consistent with existing protocols, all arrivals to Saint Lucia must adhere to all safety protocols in place, including wearing a mask in public places.

### Before you travel, please complete and acquire following:

- Each adult (18 and over) is required to submit a **Travel Registration Form** ([stlucia.org/covid-19](http://stlucia.org/covid-19)). This should be completed at least 7 working days before travel. Your Covid-19 test result is not immediately required to complete this step. *Travelers 17 years and younger should be included on an adult form.*

**You will receive an auto-response confirmation with a unique reference # for each adult.**

- All arrivals 5 years and older are required to take a **Covid-19 PCR test** no more than **5 days before your arrival**. Please note the day of arrival in Saint Lucia is counted as the 5<sup>th</sup> day. You are required to upload your test result where you registered.

- There is no flexibility on the type of test - It must be a Covid-19 PCR test.
- If you are unable to upload your test results, please send to: [sarscov2ell@gmail.com](mailto:sarscov2ell@gmail.com)

**\*Please print and travel with your test results.**

- Once you have submitted your travel registration form and your accommodation and PCR test have been verified, you will receive a **Travel Authorization Letter**. Please allow up to 3 days for processing. If you do not receive a travel authorization letter within 48 hours of travel, please email [tic@stlucia.org](mailto:tic@stlucia.org) with each adult passenger's name in question and the corresponding reference numbers. *Please be aware that a Travel Authorization Letter, does not guarantee your Covid-19 test is acceptable.*

**\*Please print and travel with your Travel Authorization Letter.**

- Download, print and travel with a completed **Health Screening Form** on your day of travel, for presentation on arrival. Available on [www.stlucia.org/covid-19](http://www.stlucia.org/covid-19)

**You may be denied boarding if you fail to present documents 2 and 3.**

### FULLY VACINATED VISISTORS

- Fully vaccinated visitors have expanded access on island and enjoy additional activities; all while observing on-island protocols.
- Proof of vaccination must be available to show at the airport.
- Vaccinated passengers will be issued with a wristband while at the airport, which must be worn throughout your stay and removed only on departure.
- Fully vaccinated means, a passenger surpassed a two week period after the second dose of the two-shot vaccine or two weeks after a single-dose vaccine.

**\*Fully Vaccinated passengers are required to fulfill the same entry protocols above.**

Visitors must have **confirmed reservations at Covid-19 certified properties.**

Your visit may be split to stay at up to 2 certified properties.

If your booking is last-minute (i.e. within 5 days of travel), **please forward names and reference numbers** immediately after travel submission to [travelinfo@stlucia.org](mailto:travelinfo@stlucia.org)

### TESTING FOR RETURN FLIGHT
